

Airport Planners

[Apply Now](#)

Company: Archer Recruitment

Location: Saudi Arabia

Category: other-general

Our client is a leading international engineering and project management consultancy group seeking to hire Airport Planners in Jeddah.

Requirements:

Holds a minimum of a Bachelors Degree in Architecture or related aviation / engineering field

Ideally, 15+ years' experience of airport master-planning

International experience is preferred (i.e. projects in multiple different countries)

Strong communication skills - able to liaise with clients as needed

Previous experience of coordinating design activities with other groups (e.g. engineering teams) to create optimised airport designs is an advantage

Experience of using BIM software (e.g. Navisworks) is preferred, but not essential

Some travel may be required to perform the duties of this role (may include Africa, the Middle East, South Asia, and Southeast Asia)

Recruiter info:

Jon Williams - Principal Consultant - Middle East

Singapore Employment Agency Licence No: 17C8952

Singapore Employment Agency personnel Registration No: R1439599
