Job Description

JOB SUMMARY :

As a Pediatric Cardiac Surgery Assistant Consultant in a top-tier hospital in Saudi Arabia, your role involves managing and assisting in complex surgical procedures for pediatric patients with congenital and acquired heart conditions. Collaborating closely with a specialized team, including cardiovascular surgeons, cardiologists, and critical care staff, you will contribute to the comprehensive care of young patients. Your responsibilities include patient evaluation, participation in surgical interventions, and postoperative care.

MAIN DUTIES AND RESPONSIBILITIES

Demonstrate advanced clinical skills in the **Pediatric Cardiac Surgery** field.

Manage complex medical cases independently.

Provide leadership in delivering high-quality patient care.

Supervise and mentor junior medical staff and residents.

Contribute to the training and development of medical teams.

Collaborate closely with consultants and specialists in multidisciplinary teams.

Offer expert consultations on challenging medical cases.

Engage in clinical research activities.

Contribute to academic programs, teaching, and training initiatives.

Participate in quality improvement initiatives.

Implement and adhere to evidence-based medical practices.

Assume leadership responsibilities within the medical department.

Contribute to decision-making processes related to patient care and departmental policies.

Pursue continuous professional development and stay abreast of advancements in the medical field.

Attend conferences and workshops to enhance knowledge and skills.

Advocate for patient rights and welfare.

Ensure a patient-centered approach in medical care.

Ensure compliance with hospital policies and regulations.

Lead and participate in emergency medical responses.

Provide expertise in critical and urgent medical situations.

REQUIRED QUALIFICATIONS

Education :

Graduate from a medical school of good standing.

Completion of required period of training in Cardiac Surgery-(Pediatric)

Saudi Arab or American /European Board Certification or equivalent.

Membership and/or Fellowship status in America and/or Europe or their equivalent and fulfilling the criteria for Assianat Consultant as required
