J177553\_1713230183 Saudi Arabia £80K- £100K / Year

[Apply](#) [Save](#)

**Here at Prospect Health we are working with our esteemed client to recruit for a Cardiac Surgery Associate Consultant to join their multi-discipline organisation. The role is based in the main health care facility in the capital of Saudi Arabia in Riyadh.**

### **Location**

Riyadh is Saudi Arabia's capital and main financial hub and forms the political and administrative centre of Saudi Arabia. The cities are modern and cosmopolitan, yet yield a tranquil atmosphere. Since the announcement of Saudi Arabia's Vision 2030 platform the nightlife and social life in the country has improved, you will find numerous events held all year round, tourism is in full swing from visitors all around the globe, they have open their doors to modernity. Top artist around the globe has performed in the country.

The diversity of people is uncountable, with individuals from all corners of the globe relocating to Saudi Arabia. Everyone, no matter what their walk of life, seems to relish in the rich cultural history that Saudi Arabia has to offer.

### **The Company:**

This healthcare facility is funded by the Government of Saudi Arabia and has 5 major locations in the country covering Riyadh, Jeddah, Dammam, Al Ahsa and Madina, all of which deliver the highest quality of healthcare.

Our client's goal is to provide optimum healthcare to its employees, their dependents and other eligible patients. They also provide excellent academic opportunities, conduct researches, and participates in the industry and community service program in health field.

They provide optimum healthcare to all employees, their dependents and other eligible patients. To date they total 3753 bed capacity across 71 family medicine centers. With state-of-the-art facilities and an extremely well qualified medical team, you will have the support to develop and enhance your career. Many of the existing team are expatriate doctors having trained and worked in the countries from which they are now seeking more doctors.

### **The Role**

In this role you will be supported to excel and to provide thorough patient care with honesty, integrity and dignity. You will be expected to work together with your colleagues to use the latest technology, evidenced based practice and joint cooperation with international medical systems, to provide a distinguished level of care.

In joining the group you would be helping our client achieve their vision of being the most trusted healthcare provider in medical excellence and patient experience globally.

### **The Benefits:**

100% Tax free, salary (Salaries with this client will vary depending on qualifications and experience gained after your qualification).

Free Transport to and from the Hospital or Transportation allowance

Family Accommodation or Accommodation Allowance

School allowance for up to 2 children (ages 18 and below).

Airline tickets (semiannual) for up to 3 dependents (wife/husband and 2 children ages 18 and below).

Annual leave is 30 days plus 10 days public holiday

Medical (coverage for the whole family)

Continuous Medical Education

End of Service Award

### **Qualifications and Requirements**

The following qualifications are accepted:

UK/Ireland CCT/CCST

GMC Specialist Registration

American Board Certification (only approved boards by American Board of Medical Specialities accepted)

Fachartz (German Board)

French Qualifications (DIS, DES, CES, CIS)

Italian/Spanish/Greek Specializations

2 years post qualifying experience at a full consultant level

Canadian Fellowship with 3 years post board experience.

CESR 5 years post qualifying experience at full consultant level
