Cardiac Critical Care Consultant Role, Saudi Arabia

J177483_1713403071 Saudi Arabia £100K- £200K / Year

[Apply](#) [Save](#)

We are currently recruiting on behalf of our long-established client who is looking for a high calibre, experienced Consultant Cardiac Critical Care to work their prestigious hospital facility in Saudi Arabia.

Our client oversees the Government Health Care sector in Saudi Arabia and is prized throughout the region for the excellence of their medical personnel and therefore, the exceptional level of care extended to patients. Moreover, the client oversees an extensive medical complex which is split into various Medical Cities across the country in numerous captivating regions such as, Riyadh, Dammam, Al Ahsa, Jeddah, and Al Madinah Al Monawarh.

The Location:

Saudi Arabia has been described as feeling like the centre of the world and is certainly the Heart of the Arabic speaking community.

The cities in which our client's hospitals are based are modern, cosmopolitan and offer a huge variety of activities, cuisine and retail choices. Indeed, familiar European brands in clothing and food outlets. Alternatively, the traditional souks will cater for those seeking a more traditional, cultural experience.

The diversity of nationalities in Saudi Arabia is uncountable, with individuals from all corners of the globe relocating here. Everyone can relish in the Saudi way of life and in the rich cultural history that Saudi Arabia has to offer; including the two holy cities Mecca and Medina, and also Dir'iyah, which offers a look into what life was like when the Kingdom was first born.

The Company:

This healthcare facility is funded by the Government of Saudi Arabia and has 5 major locations in the country covering Riyadh, Jeddah, Dammam, Al Ahsa and Madina, all of which deliver the highest quality of healthcare.

They provide optimum healthcare to all employees, their dependents and other eligible patients. To date they total 3753 bed capacity across 71 family medicine centers. With state-of-the-art facilities and an extremely well qualified medical team, you will have the support to develop and enhance your career. Many of the existing team are expatriate doctors having trained and worked in the countries from which they are now seeking more doctors.
