Are you ready to make a real-world impact while achieving your career goals? Do you excel at translating professional partnerships into customer success? If you're an excellent communicator passionate about empowering business innovation, this is your opportunity to stand out!

Oracle's Construction and Engineering Global Business Unit (CEGIU) focuses on project-intensive industries such as engineering and construction, aerospace and defense, utilities, oil and gas, chemicals, industrial manufacturing, automotive, financial services, communications, travel and transportation, healthcare; state, local and federal government. The CEGIU has numerous products that support Enterprise Project Portfolio Management software such as Unifier, P6, Aconex, OPPM, and Oracle Primavera Cloud (formerly Prime) that encompasses resource allocation, cost reduction, supply-chain efficiency, and decision-making—using real-time data, for the enterprise market.

What will you do

You'll be here to make customers successful by unlocking capabilities and being their long-term partners in the Cloud.

Lead a project team in delivering an Oracle Cloud or On-Prem technology solution for small, medium, and large projects.

Lead all project resources, including subcontractors

Provide day-to-day direction to the project team and regular project status to the customer

Run scope, cost, schedule, and contractual results, which includes applying techniques for

planning, tracking, change control, and risk management

We could also use...

Previous proven experience in leading full life cycle implementations of SaaS products

PM Methodology certification

Scrum Master certification

What we will offer

A competitive salary with exciting benefits

Flexible and remote working so you can do your best work

Learning and development opportunities to advance your career

An Employee Assistance Program to support your mental health

Employee resource groups that champion our diverse communities

Core benefits such as medical, life insurance, and access to retirement planning

An inclusive culture that celebrates what makes you unique

At Oracle, we don't just respect differences — we celebrate them. We believe that innovation starts with inclusion, and that to create the future, we need people with a diverse set of backgrounds, perspectives, and abilities. That's why we're committed to creating a workplace where all kinds of people can do their best work. When everyone's voice is heard and valued, we're inspired to go beyond what's been done before.
