Consultant Adult Hematology Stem Cell Transplant Role, Riyadh

J189649_1714526433 Saudi Arabia £65K/ Year

[Apply](#) [Save](#)

Consultant Adult Hematology Stem Cell Transplant and Cellular Therapy and Oncology .

We are currently recruiting on behalf of our long established client who is looking for a high calibre, experienced Consultant to work their prestigious hospital facility. Our client oversees the Government Health Care sector in Saudi Arabia and is prized throughout the region for the excellence of their medical personnel and therefore, the exceptional level of care extended to patients. Moreover, the client oversees an extensive medical complex which is split into various Medical Cities across the country in numerous captivating regions such as, Riyadh, Dammam, Al Ahsa, Jeddah, and Al Madinah Al Monawarh.

The Location

Saudi Arabia has been described as feeling like the centre of the world and is certainly the Heart of the Arabic speaking community.

The cities in which our client's hospitals are based are modern, cosmopolitan and offer a huge variety of activities, cuisine and retail choices. Indeed, familiar European brands in clothing and food outlets. Alternatively, the traditional souks will cater for those seeking a more traditional, cultural experience.

The diversity of nationalities in Saudi Arabia is uncountable, with individuals from all corners of the globe relocating here. Everyone can relish in the Saudi way of life and in the rich cultural history that Saudi Arabia has to offer; including the two holy cities Mecca and Medina, and also Dir'iyah, which offers a look into what life was like when the Kingdom was first born.

The Company

This healthcare facility is funded by the Government of Saudi Arabia and has 5 major locations in the country covering Riyadh, Jeddah, Dammam, Al Ahsa and Madina, all of which deliver the highest quality of healthcare.

They provide optimum healthcare to all employees, their dependents and other eligible patients. To date they total 3753 bed capacity across 71 family medicine centers. With state-of-the-art facilities and an extremely well qualified medical team, you will have the support to develop and enhance your career. Many of the existing team are expatriate doctors having trained and worked in the countries from which they are now seeking more doctors.

The Benefits

100% Tax Free, salary (Salaries with this client will vary depending on qualifications and experience gained after your qualification).

Free Transport to and from the Hospital or Transportation allowance

Family Accommodation or Accommodation Allowance

School allowance for up to 2 children (ages 18 and below).

Airline tickets (semiannual) for up to 3 dependents (wife/husband and 2 children ages 18 and below).

Annual leave is 30 days plus 10 days public holiday

Medical (coverage for the whole family)

Continuous Medical Education

End of Service Award

Qualifications and Requirements

The following qualifications are accepted:

UK/Ireland CCT/CCST

GMC Specialist Registration

American Board Certification (only approved boards by American Board of Medical Specialities accepted)

Fachartz (German Board)

French Qualifications (DIS, DES, CES, CIS)

Italian/Spanish/Greek Specializations

3 years post qualifying experience at a full consultant level

Canadian Fellowship with 3 years post board experience.

CESR 5 years post qualifying experience at full consultant level
