Consultant Musculoskeletal Imaging

We, are delighted to announce that we are working with one of Saudi Arabia's well respected healthcare organization that is well recognized internationally. They are the regional leader in delivering best quality of patient centered health care. We have been asked to find top notch Consultants Musculoskeletal Imaging.

Location

Riyadh is Saudi Arabia's capital and main financial hub and forms the political and administrative centre of Saudi Arabia. The cities are modern and cosmopolitan yet yield a tranquil atmosphere. Since the announcement of Saudi Arabia's Vision 2030 platform the nightlife and social life in the country has improved, you will find numerous events held all

year round, tourism is in full swing from visitors all around the globe, they have opened their doors to modernity. Top artist around the globe has performed in the country.

The diversity of people is uncountable, with individuals from all corners of the globe relocating to Saudi Arabia. Everyone, no matter what their walk of life, seems to relish in the rich cultural history that Saudi Arabia has to offer.

The Company

This healthcare facility is funded by the Government of Saudi Arabia and has 5 major locations in the country covering Riyadh, Jeddah, Dammam, Al Ahsa and Madina, all of which deliver the highest quality of healthcare.

They provide optimum healthcare to all employees, their dependents, and other eligible patients. To date they total 3753 bed capacity across 71 family medicine centers. With state-of-the-art facilities and an extremely well qualified medical team, you will have the support to develop and enhance your career. Many of the existing team are expatriate doctors having trained and worked in the countries from which they are now seeking more doctors.

The Benefits

100% Tax Free, salary (Salaries with this client will vary depending on qualifications and experience gained after your qualification).

Free Transport to and from the Hospital or Transportation allowance
