Consultant Pediatric Endocrinology

J207362_1712193673 Saudi Arabia USD176K- USD192K / Year

Apply Save

We are calling on all Doctors (UK based, Ireland, Scotland and nearby countries.

We are currently seeking exceptional candidates to join our esteemed team. If you're driven by excellence, innovation, and a desire to make a real difference, we want to hear from you.

Imagine being part of an institution that redefines standards, where innovation meets impact, and where your skills are valued on a global stage. This is your chance to contribute to something extraordinary!

Your journey begins with a face-to-face interview next month January 2024. Confirm your attendance, and we'll provide you with the details that could shape the next chapter of your career.

Country and Location:

This is your chance to explore a unique face-to-face interview opportunity that could shape the

trajectory of your medical career. Saudi Arabia beckons with its state-of-the-art facilities, cutting-edge advancements, and a commitment to healthcare innovation.

Why Saudi Arabia?

Global Impact: Contribute to the forefront of healthcare on an international scale.

Cultural Richness: Immerse yourself in the rich tapestry of Saudi Arabian culture.

Lifestyle Upgrade: Experience a fulfilling lifestyle in a vibrant and dynamic environment.

Key Information:

This healthcare facility is funded by the Government of Saudi Arabia and has five major locations in the country covering Riyadh, Jeddah, Dammam, Al Ahsa and Madina, all of which deliver the highest quality of healthcare.

Our client has over 71 Primary Health Care Centres and numerous tertiary facilities

Total bed capacity is 3753; while in Riyadh alone is 1860.

There is opportunity for continuing education and training within the medical complex

The Benefits:

Competitive Compensation: 100% tax Free - We recognize and reward talent. Enjoy a competitive salary and benefits package that reflects your expertise and dedication.

International Exposure: you'll collaborate with professionals from diverse backgrounds, gaining valuable international experience that enhances your skill set and broadens your perspective.

Professional Development: Elevate your career with ongoing training, mentorship programs, and opportunities for career advancement. We invest in our staff, ensuring they reach their full potential.

Work-Life Balance: We understand the importance of a healthy work-life balance. [Hospital Name] promotes a supportive environment where your well-being is prioritized.

Educational Assistance.

Annual vacation.

Annual tickets for you and your eligible dependents.

Low cost of living - thus you can save more on your retirement.

And more!

Qualifications and Requirements:

The following qualifications are accepted:

UK/Ireland CCT/CCST

GMC Specialist Registration

American Board Certification (only approved boards by American Board of Medical Specialities accepted)

Fachartz (German Board)

French Qualifications (DIS, DES, CES, CIS)
