Company: Kerten Hospitality

Location: Saudi Arabia

Category: other-general

Kerten Hospitality (KH) is an end-to-end lifestyle hospitality operator creating bespoke destinations, experiences and communities while optimising operations and driving profitability for savvy investors with a strong commitment to sustainability. KH transforms destinations through impactful partnerships with Food & Beverage, Retail, Entertainment, Art and Wellness brands with a focus on building Ecosystems, and unique community-centric destinations, which connect International & local travellers. The Group's current pipeline includes 50+ projects and 4,500 room keys in 12 countries the Middle East, Europe, and North Africa region.

ABOUT THE PROPERTY

Dar Tantora, The House Hotel – An earth-built community in AIUla

With its labyrinth of tightly packed streets, hundreds of mudbrick buildings, and a colossal watchtower fort, Dar Tantora, The House Hotel, is in the heart of AIUla's Old Town, one of Saudi Arabia's most impressive heritage sites. The exclusive community, composed of 30 dur, a café, restaurant, cigar lounge, spa, numerous bespoke retail stores will become the most sought-after earth friendly, low impact sustainable heritage eco sanctuary, where the goal is to create an experience, with workshops and activities that showcase the importance of the destination in history where as the region's newest destination lies Cloud 7 Residence Alula, Dar Tantora's sister property where guests can choose a short or a long visit to stay in an affordable Lodge whilst exploring the wonders of AIUla

ABOUT ALULA

Take a journey through time in the world's largest living museum.

AIUla, at the forefront of the Vision 2030 plan initiated by the Saudi government to modernize the country, the AIUla project is part of a series of major projects to diversify its economy and raise its profile from an international perspective. is part of a series of major projects to diversify its economy and raise its profile from an international perspective. The cornerstone of the Kingdom's cultural and touristic ambitions, the AIUla project will develop an archaeological, cultural and touristic complex - an open-air living museum. This major investment aims to make the AIUla region one of the Kingdom's cultural capitals. By showcasing the region's stunning heritage – millennium-old archaeological sites, breathtaking landscapes – Saudi Arabia intends to retell its great history.

JOB DESCRIPTION

ASSET AND EXPERIENCE:

Creating recipes and menus.

Implement and oversee the highest levels of food safety and hygiene practices across all outlets.
