Implementation Consultant (Logistics) - 1-2 Year Contract

Location: Jeddah, Saudi Arabia

Contract/Hybrid Working

Day Rate up to \$800 per day

Our client is looking for an Implementation Consultant on a contract basis based out of Jeddah four days a week. This will be a one-year contract with the view of extending.

The client is migrating from SAP and is looking for someone on the ground who can handle this migration with a focus on commercial activities and customer experience. This project will be one of their most critical initiatives as part of a bigger portfolio.

Candidate requirements:

Bilingual is a plus, English speakers are essential

Strong experience in Systems Migration and Integration

Experience in salesforce functionalities

Experience in ground handling and/or logistics

Please do reach out to find out more!
