Company: Stafford Lawrence

Location: Riyadh

Category: other-general

MRICS Associate Director - Cost Consultancy - KSA

We are seeking an MRICS Associate Director Cost Consultancy or Associate Director of Quantity Surveying for a permanent position in the Middle East with a world-class Construction Consultancy for their offices in Riyadh, Saudi Arabia in the Middle East. This is a new role for a well known Consultancy who have offices around the world and are opening new offices in Saudi Arabia. We are seeking someone with strong Business Development, team and business management as well as project experience.

We are seeking Buildings experience for this position rather than Infrastructure

The requirements for this job vacancy are very strict as with all vacancies in Saudi Arabia, so please ONLY apply if you meet all the requirements.

N.B For the avoidance of doubt, a requirement means: Wanted or Needed

REQUIREMENTS

Above all this position specifically requires an **MRICS Chartered**Quantity Surveyor, so you must have MRICS or FRICS Quantity Surveying route

Stafford Lawrence is seeking Director level candidates for this senior level position. So, you should have experience working with a Construction Cost Consultancy in A Director or Associate Director position. The role will be based in (KSA) Riyadh Saudi Arabia in the Middle East. This is a new role for a well known consultancy.

Candidates must have Associate Director level experience with a Consultancy organisation.

We cannot consider candidates with a Main Contractor background for these roles.

Previous Middle East experience is required for this role

Chartered status, MRICS Chartered Status. Member of the Royal Institution of Chartered Surveyors - Quantity Surveying. Please do not apply for this role if you do not have MRICS Chartered Status.

A degree qualification in a Construction related subject such as Quantity Surveying, Commercial Management or Civil Engineering.

15-20 Years of experience is required for this senior level role as well as Middle East experience, some of this in Saudi Arabia.

Our client will consider candidates with slightly less than 15 years but you must meet all the other requirements and have previous experience in Saudi Arabia

We are specifically seeking experience in Buildings Projects, Mixed Use, Commercial, Hotels, Villas, Entertainment venues etc.

In addition, you will have very strong Pre Contract Cost Estimating and Cost Planning Experience. Ideally we are seeking someone with both Pre and Post contract experience, but candidates MUST have pre-contract.

The ideal candidate will have a mix of Project experience as well as some business development and team management experience.

Salary & Benefits

An excellent total package salary is available for this Associate Director Cost Saudi Arabia Middle East job vacancy.

The salary banding for our client is **55-65,000 SAR** per month total package. Our client can be slightly negotiable for the right person.

In addition, Medical cover is provided on top of the total package

Bonus as per Saudi Law

Mobilisation and demobilisation flights.
