Company: Stafford Lawrence

Location: Saudi Arabia

Category: other-general

We are seeking to recruit an MRICS Associate Director- Waterparks Cost Consultancy for a permanent vacancy in Riyadh in the Middle East with Tier 1 Construction Consultancy.

This position requires previous experience of **WATER PARK** projects. YES ! the key to this vacancy is previous experience. So the keywords here are **MRICS WATERPARKS** and **PRE CONTRACT**. PLEASE ONLY APPLY IF YOU HAVE THIS EXPERIENCE. We do not want similar experience or experience in other areas. So before you apply, the answer will be a resounding NO, if you don't have this experience. We do have other vacancies in Saudi, so please apply for those vacancies, if of course you meet the requirements.

LOCATION: Riyadh, Kingdom of Saudi Arabia Middle East.

REQUIREMENTS

ALL of the following requirements MUST be met.

Experience: Stafford Lawrence is seeking Director or Associate Director level candidates for this senior level position. Above all this experience MUST be with a Cost Consultancy organisation.

Specific Sector or specialism: WATER PARKS experience. This role requires this experience. We will expect to see Quantity Surveying and Waterparks experience on your CV.

Country Experience: We do not require previous Middle East experience. If you have Waterparks experience anywhere else in the world and you are an MRICS Associate Director, we would like to hear from you.

Status As well as all of the above, MRICS Chartered Status. Member of the Royal Institution of Chartered Surveyors – Quantity Surveying Route. This is another Mandatory requirement

Qualifications A 3 year BSc degree qualification in Quantity Surveying or Commercial Management or another Construction related Degree Qualification

Years of Experience: Circa 15-20 Years of experience is required for this senior level role. Candidates with slightly less than 15 years MAY be considered if they have Chartered Status and Pre Contract Experience for Waterpark projects

Contracts Experience: Candidates should have a mix of pre and post contract, however position is heavy on the PRE contract. so solid Pre Contract Cost Estimating and Cost Planning.
