[Apply Now](#)

Company: First Resort Global Recruitment

Location: Saudi Arabia

Category: architecture-and-engineering

Our client is ranked as one of the leading Saudi companies in contracting and construction of governmental projects. They have over 1,500 employees and billions of dollars worth of projects scheduled for the year ahead. We are looking for a highly skilled and motivated Planning Engineer to work on their growing developments based in the capital of tax free Saudi Arabia, Riyadh. ESSENTIAL CRITERIA

- BSc Civil Engineering
- 8 - 10 years experience
- Excellent command of Primavera software
- Should be able to produce project planning schedules using Primavera
- The planning should include detailed project activities with manpower and material cost loading
- Should have the ability to track actual site progress with planned schedule and be able to make/ suggest corrective measures as the project progresses
- Excellent communication and inter personal skills required for this position
- Should inter-act with project managers and cost engineers to steer the project as per scheduled completion and cost

COMPENSATION
