Company: Prospect Health

Location: Dammam

Category: healthcare-practitioners-and-technical

Our international team are currently recruiting for a Consultant in Paediatric Emergency Medicine, on behalf of a fantastic client in Saudi Arabia, to work at their impressive hospital facility.

Our clients hospitals are well-known for high-quality evidence-based patient care practices, an ideal environment for a Consultant of Paediatric Emergency Medicine.

Our client oversees the Saudi Arabian government's Healthcare sector and is recognised throughout Saudi Arabia for the high level of their employees and the exceptional level of care their patients enjoy.

Location: Dammam, Saudi Arabia

This role is based in Dammam, home to the majority of the country's oil infrastructure. The culture revolves around the religion of Islam, but unlike other cities in the kingdom there is a large proportion of expatriates particularly those that work with or for Saudi Aramco. This brings a slightly more relaxed approach to the conservative lifestyle that the kingdom is synonymous with. The diversity of people is uncountable, with individuals from all corners of the globe relocating to Saudi Arabia. Everyone, no matter what their walk of life, seems to relish in the rich cultural history that Saudi Arabia has to offer.
