Company: Khatib & Alami (Al Khobar)

Location: Saudi Arabia

Category: arts-design-entertainment-sports-and-media

Job Summary

Based on the needs of the project, the photographer will take pictures of people, settings, events, and objects. They will use their artistic and technical skills to create images the clients will love. The photographer will design settings, using props and backgrounds to create compositions based on the client's request. In addition to taking high-quality images, the photographer will also maintain all camera equipment, including lights, lenses, and tripods. After pictures are complete, the photographer will resize, edit, airbrush and otherwise enhance images using Photoshop or other photo editing software. They will then work with the client to determine the best package and presentation of their photos.

Responsibilities

- Select and assemble proper equipment, and choose settings and props based on the client's wishes and theme of the photo shoot.
- Properly light subjects using artificial or natural lighting and using flashes and reflectors where necessary.
- Determine desired images and compositions and choose equipment, props, settings, and lighting to achieve desired results.
- Retouch, resize and enhance images as needed using Photoshop or other photography software.

Requirements

- 15+ years of experience in a related industry

- Photography degree or similar
- Proven professional shooting experience
- Eye-catching portfolio
- Proficient with traditional and modern equipment
- Solid knowledge of Photoshop, Capture One or other photography specific software
- Shooting, lighting and printing skills
- Competency in applying photographic best practices and techniques
- Knowledge of production process for online publishing and various printing applications
- Ability to juggle multiple tasks
