Registered Nurse Positions

[Apply Now](#)

Company: STRAGO

Location: Saudi Arabia

Category: healthcare-practitioners-and-technical

STRAGO Healthcare stands as a global consultancy firm with expertise in providing highly skilled medical personnel and tailored environmental consultancy services specifically designed for sustainability in medical institutions. Our distinctive fusion of international proficiency and in-depth local insight positions us as the preferred resource, enabling us to effectively navigate and surpass the evolving demands of projects worldwide with precision and excellence.

We are seeking a compassionate and skilled Registered Nurse (RN) to join our healthcare team. The ideal candidate will be responsible for providing high-quality patient care, collaborating with the healthcare team, and promoting a positive patient experience. The Registered Nurse will play a crucial role in assessing, planning, implementing, and evaluating patient care by established nursing standards and protocols.

Responsibilities:

- Conduct comprehensive patient assessments and develop individualized care plans.
- Administer medications and treatments as prescribed by physicians.
- Monitor and evaluate patient responses to nursing interventions.
- Work collaboratively with physicians, other healthcare professionals, and support staff.
- Communicate effectively with patients and their families, providing education and support.
- Maintain accurate and up-to-date patient records using electronic health records (EHR)

systems.

- Document nursing interventions, patient responses, and progress notes.
- Advocate for patients' rights and ensure their voices are heard in the healthcare decision-making process.
- Collaborate with interdisciplinary teams to promote holistic patient care.
- Adhere to infection control and safety protocols.
- Comply with regulatory requirements and nursing standards.
- Respond efficiently to medical emergencies and provide immediate care.
- Participate in disaster preparedness and response activities.
- Stay informed about advancements in nursing practices and healthcare technologies.
- Participate in ongoing professional development and training.

Qualifications and Experiences:

- Current and valid nursing license.
- Graduation from an accredited nursing program (Bachelor's / Master's Degree in Nursing).
- CPR and other relevant certifications.
- Minimum one year experience after license
- Experience in a hospital-based set-up with at least a 100-bed capacity
- Strong clinical and critical thinking skills.
- Excellent communication and interpersonal abilities.
- Ability to work effectively in a fast-paced and dynamic healthcare environment.
- Previous experience in a clinical nursing role is preferred but not required for entry-level positions.
- Familiarity with electronic health record systems is a plus.

If you are a dedicated and compassionate nurse looking to make a difference in patient care, we invite you to apply for this rewarding position. Join our team and contribute to the delivery of exceptional healthcare services.

STRAGO is an equal employment opportunity employer. If your application is among those most in line with the required profile, you will be contacted to continue the selection process.
