Summary

m2r Education are currently looking for a Science Teacher for the British International School in Al Khobar, a COBIS accredited school for an August Start

Running for almost 40 years, the school is a not for profit school that offers the UK curriculum to over students between the ages of 3 and 18. The school has recently added both GCSE and A Level exams to its rapidly expanding secondary section, while maintaining an excellent primary section including academic studies, extracurricular activities and overseas trips. The school aims, through its international environment, to inspire everyone to be positive global citizens by reflecting upon equality, community service and peace. All are welcomed and valued as unique individuals.

Having recently moved to a brand new campus, they offer an excellent teaching and learning environment overlooking to Arabian Gulf.

A teacher from the school has been quoted saying At BISAK, you work with excellent, committed colleagues and polite, friendly, dedicated pupils. As well as a brand new-school site, class sizes are small, and the school allows you to prioritise your focus on teaching and learning.

Minimum criteria to apply:

Bachelors degree and PGCE or BEd

Experience from an international school is an advantage

Experience of using the UK curriculum is essential

British passport holders only (due to visa restrictions)

Package:

Free, furnished single accommodation with utilities included

Baggage allowance

Annual return airfare

Worldwide Health Insurance, including emergency dental and optical

August Start
